**ELECTRONIC REMITTANCE ADVICES (ERA) CLEARINGHOUSE
ISSUE WITH COMMERCIAL ERA FILES**

**Please do not download any type 'N' Clearinghouse ERA files
until further notice.**

MEDTRON's clearinghouse, Emdeon, changed their servers as of 04/17/2010; all ERA files since this date are affected.

As soon as MEDTRON is aware of the resolution, we will notify all clients via a similar News Blast with appropriate corrective action.

Thank you for your patience as we work with Emdeon to resolve this issue.
