

MEDEHR UPDATES PRESCRIPTION PRINTING

MEDTRON is continually adding new features (enhancements) and/or updates to **MEDEHR**. Below is a description of the upcoming enhancement/update scheduled for **MEDEHR** (09/04/19).

Prescriptions:

The 'Notes' and 'Diagnosis' fields will now print with the hard copy Rx in **MEDEHR**.

Notes will continue to go to the pharmacy when using eRx.
